# MEDITATION

## The only answer.

Meditation is one of the oldest concepts of India.

- Its our mission to take our youth back to the roots again.
- Meditation is like multivitamins for your brain. Good to take it every day.
- Meditation helps in building immunity , reducing stress and makes you peaceful & blissful.
- Meditation improves your focus, attention, and ability to work under stress & improves academic performance also.

(Maun Mandir facility & Meditation Camps throughout the year.)

## Founder Swami Dhyan Alok (Swami ji)

Just eight years old he had been initiated in sanyas.

He entered in long deep silence & experienced the mystical explosion in inner domain.

Started **GENIUS TEMPLE** where people are getting a drastic transformation of behavior, attitude & life style.

Now he is conducting Life Management courses and world wide meditation workshops.

## OUR INSPIRATION

Harmony in the world will happen only when man is truly harmonious within himself.

Sadhguru  
Jaggi vasudev

"So I am not teaching you to be good, I am not teaching you to be bad; I am teaching you only to be whole. To be whole is to be healthy and to be healthy is to be holy".

Osho

# रुपंतरण

Rupantaran - is an endeavour to enlighten the being of every human

As the moon gets its light from sun and it transforms scorching sunrays into pleasant showering of light, same way the master gets energy from existence and bestow it to the seekers. "Thats what I call rupantaran".

Swami Dhyan Alok
